

Exercise 7 - Chp 6, 7 & 9 in Textbook

Due: Sunday, April Fools Day

These questions will require you to read thru Chp 6 and do a bit of research on implementation of other languages.

Chp 6 - Problem Set

#1, 2, 7, 10

Chp 7 - Problem Set

4, 5, 9, 10, 13

Program #2 - C++ and Java only, no need to do C#

Chp 9 - Problem Set

#5

Program #1 - track CPU time, not wall clock time.
